

Novel Coronavirus Safety Precautions

First COVID-19 (Corona Virus Disease 2019) cases were confirmed in December 2019 in city Wuhan (People's Republic of China) and the number of infected has been spreading to other countries and has been growing since. Hato Bus has proceeded with necessary prevention as follows:

1. Masks prepared at the tour counter

Our counter staff provides the free-to-take facemask for our guests and tour customers.

2. Disinfecting by alcohol-based cleaners

We use an alcohol disinfection to clean our counters regularly and hand sanitizers are provided free-to-use to our guest and tour customers.

3. Mask wearing

According to the situation, our tour bus drivers and tour guides will be wearing face masks on the bus.

4. Hand-washing & Mouth hygiene

We encourage our staff to do proper hand-washing (by alcohol-based hand sanitizers), gargle and to follow a proper healthcare.

Thank you for your cooperation.
